

Numerical Methods for Data Science – Exercise Sheet 3

Exercise 9:

Read and prepare Section 6.6.3 of J. W. Demmel's book. Since Thursday, May 21st is public holiday and some exams are held in the upcoming two weeks, we will discuss the derivation of the efficient CG implementation on May 22nd.

**Submit until May 21th 2020, 2:00 pm in the ILIAS.
Review in the exercise course on May 22th 2020.**
